

NEW CAREER PATHWAYS FOR UNDER 25s

# GROWING OUR OWN SINCE 1864

Try our brand new 6-month programme and you could join our thriving team!

Are you looking to develop your skills and confidence? Would you enjoy working in a dynamic and supportive environment?

If so, a Hillier Traineeship could be your first step to an exciting career.

Traineeships are a great way for employers like us to recruit new talent. Once you've completed your programme, you may have the opportunity to secure a full-time position, like an Apprenticeship, within Hillier.

This programme offers valuable experience to help you succeed. We aim to provide a pathway for young talent to experience all of the Hillier business through a variety of training and work-based learning opportunities, introducing you to a multitude of knowledge and skills.

It's also a fantastic way to build your self-esteem, helping you succeed in your future workplace, whether it's with Hillier or another business.
