Recruitment Clinics 1-2-1

For anyone in Year 11 and above seeking advice or wishing to apply for an apprenticeship starting in September 2024, SETA is offering a one-to-one chat with our friendly staff to receive practical advice, support and guidance. This can be either via a telephone call or a video call using MS Teams.

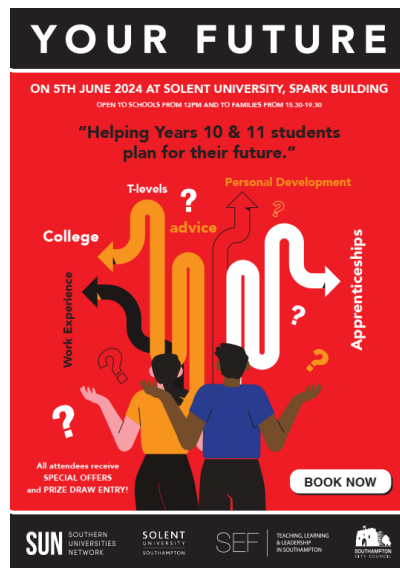

[Register your interest on our website](#) and The Apprenticeship Services Team will contact you to arrange a suitable date/time.

The screenshot shows the SETA website with a navigation bar (Home, Courses, Apprenticeships) and a main image of a man giving a thumbs up while talking to a student on a laptop. Below the image is the title 'Recruitment Clinics 1-2-1' and a section 'Why attend?' with text explaining the service: 'SETA understands that getting the right information is very important, especially when it comes to your future! So we are offering you the opportunity to chat to a member of the Apprenticeships Team on an individual basis. This can either be via an MS Teams video call or via a telephone call. We can provide practical advice, support and guidance for anyone from Year 11 upwards wishing to apply for an engineering apprenticeship starting in September 2024. We can discuss current vacancies, what the roles involve and get guidance on writing a great application. If you are under 18, parents are required to participate too.'

Wed 5th June 15:30-19:30 – Free event providing parents, carers and young people (Yr10+) with information on education & career opportunities after Yr11. Speak to colleges, 6th Forms, universities, apprenticeship providers (inc SETA!), and personal development partners

[Your Future - 5th June 2024 | Solent University \(geckoform.com\)](#)

The poster features the title 'YOUR FUTURE' in large white letters on a black background. Below it, it says 'ON 5TH JUNE 2024 AT SOLENT UNIVERSITY, SPARK BUILDING' and 'OPEN TO SCHOOLS FROM 12PM AND TO FAMILIES FROM 15:30-19:30'. The main text reads: '“Helping Years 10 & 11 students plan for their future.”'. The central graphic shows a path branching into 'College', 'Work Experience', 'T-levels', 'Personal Development', and 'Apprenticeships', with question marks and arrows indicating choices. At the bottom, it says 'All attendees receive SPECIAL OFFERS and PRIZE DRAW ENTRY!' and 'BOOK NOW'. Logos for SUN, SOLENT UNIVERSITY, SEFI, and others are at the bottom.

SETA will be attending some exciting events over the next few months which are open to schools. If you or your school would like to participate then contact the relevant organisation!

Come and be inspired at either of the **EBP Get Inspired** career events. Book your students in to attend!
