5th January 2024

Dear sirs,

We are writing to inform you of the proposed new connection works required at an address at **Winchester Rd, Romsey**.

We are writing to advise you that as a result of the works Winchester Road will be closed from Botley Road to Cupernham Lane so that all new connection works can be completed safely within the public highway.

The closure is proposed from Monday 12th February 2024 to Friday 23rd February 2024.

We would like to reassure you that all the statutory service providers will be working as quickly and as safely as possible to complete this work without delay and the road will be re-opened once final resurfacing has been completed. We appreciate that works of this nature will create disruption for residents and local businesses and would like to apologise for any inconvenience in advance.

Warning signs will be displayed at either end of the closure points and diversion signs located on agreed routes via the approved (S50 ref 21703502).

Any residents within the closure points will be allowed access to their properties and an on-site representative will be available to deal with any day-to-day questions (Doug Logan 07799364735).

If you require any further information, please do not hesitate to email me directly, at stuart@wilsondesigner.co.uk.

Yours Sincerely

Stuart Wilson
Director
